

East Anglia One

NOTICE TO MARINERS

No. 132/2018

East Anglia One Limited

East Anglia One HDD Works

Notice is hereby given that ABCO Marine Ltd, (Operating on behalf of VolkerInfra/East Anglia One Windfarm Ltd.) will commence the below activities in relation to the EA1 windfarm project.

1. Site operations off Bawdsey coast - Ballasting

Enquiries regarding the contents of this NTM or any other matter should be directed to the EA1 Marine coordinator:

The following planning applies – **dates are subject to movement due to weather or other considerations;**

- 1.) Planned operations period for duct ballasting works using the Fugro 1200 as working platform equipped with triple boom excavator placing mattresses on installed HDPE pipes located off the coast of Bawdsey. Once ballasted the pits shall then be backfilled using the spoil material present from the previously excavated trenches. The Jack up Barge will be required to move under the direction of the Barge Master with the assistance of the Duke of Normandy, GPS Battler, Forth Warrior and C-Fenna. Celtic Guardian will also be in attendance. Works to be carried out within a period from 30/11/18 to 31/01/19

Vessel movements will be entirely dependent on weather and works programme and shall take place at any time period 30/11/18 – 31/01/19.

The jack up barge shall display restricted manoeuvrability day shapes and navigational lights during hours of darkness.

4.0 SITE LOCATION

The works comprise of the following location.

- Within the Construction Corridor at Works/Pull in Site off the Bawdsey coast.
